

AUTOMOTIVE

SEALANT

Shine & Water Repellent

Clearcoat protectant with ceramic-like effect and water beading

PRODUCT INFORMATION:

Seal in the shine and shield your vehicle from the elements with this simple spray-on, rinse-off formula—perfect for car washes and detail shops. Formulated with nano-quartz-like particles and advanced protective agents that chemically bond to the surface, it delivers a ceramic-like finish. Water beads effortlessly, and removing dirt, grime, and bugs becomes much easier.

USE IN/ON:

Safe on all automotive surfaces including cars, trucks, buses, trailers, and RVs

DILUTIONS:

Use .5-3 oz. per 1 gallon of water

MANUAL APPLICATION:

Begin by washing and rinsing the vehicle. While the surface is still wet, apply the product by spraying or foaming a solution mixed at 15–30 mL of Sealant per gallon of water across the entire vehicle. Rinse thoroughly, then towel or blow dry. Avoid letting the product dry on the surface before rinsing. Do not exceed 45 mL of Sealant per gallon of water when using this method. Discard any unused diluted solution after 2 days.

IMPORTANT SAFETY INFORMATION:

PRECAUTIONS:

Avoid breathing dust/fume/gas/mist/vapors/spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area.

Wear protective gloves / eye protection / face protection. Dispose of contents/container in accordance with local/regional/national/international regulations.
