

CLEAN SHOT INSTANT DRAIN OPENER™

Saponifies and eradicates obstructions caused by grease, hair, soap and other organic matter. Will not harm most plumbing, fixtures, or pipes. Safe for septic tanks, PVC pipes and metal pipes when used as directed. Odorless and fumeless. Excellent to use for stoppages caused by grease build-up. For use in sinks, tubs and showers.

PRODUCT INFORMATION:

- Professional Strength
- Dissolves Hair, Grease And Organic Material

pH.....	13.0 - 14.0
Form.....	Liquid
Fragrance.....	Odorless
Color.....	Clear
Packaged.....	12/1 QT

DIRECTIONS FOR USE:

Bail out standing water. Pour slowly, directly into the drain. Repeat if necessary.

For Slow Drains: Use ½ to 1 cup. Wait 15 minutes before flushing with hot water.

For Clogged Drains: Use 1 to 2 cups. Allow to stand minimum one (1) hour, up to overnight, before flushing with hot water.

NOTE: Product will continue to dissolve hair deposits as long as it is in the drain. If the clog is further down the drain pipe, more product will be needed to reach the clog.

IMPORTANT: Drain chemicals can cause severe burns and blindness. Always wear protective goggles and long rubber gloves when using this product. Contains Sodium and Potassium Hydroxide. Avoid contact with skin, eyes or clothing. Do not take internally. Never use or mix with other drain cleaners or chemicals before, during or after using this product. Mixing with other chemicals can result in eruption of lye or creation of toxic gases. Keep hands and face away from drain while the product is in use. Always wear safety goggles and protective gloves to protect from possible eruption of lye or splashing. Open carefully. Do not squeeze bottle. Pour slowly. Do not splash in eyes, on skin, or on clothing. Never use a plunger or pressurized drain pipe opener during or after use of this product to avoid splash back. Do not use in garbage disposal, toilets, dishwashers or any other appliance. Avoid contact with aluminum and chrome surfaces as discoloration and pitting may occur.

Do not breathe vapors. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Do not eat, drink or smoke when using this product. Store locked up. Dispose of contents and container in accordance with local, regional, national and international regulations.

CONTAINS: Sodium hydroxide (CAS:1310-73-2) and Potassium hydroxide (CAS:1310-58-3)..

IMPORTANT SAFETY INFORMATION:

**POISON
KEEP OUT OF REACH OF CHILDREN.**

May be fatal if swallowed. Causes severe skin and eye burns.
Vapors are harmful. Store In Upright Position.

FIRST AID:

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or physician.
