

BLUE BOWL CLEANER

9% Hydrochloric Acid

This bowl cleaner will not harm porcelain toilet bowls and urinals. Do not use it on enamel washbasins or sinks because it will damage the finish

PRODUCT INFORMATION:

- Removes scale and rust
- Cleans stains and deodorizes
- For use on porcelain bowls and urinals

pH..... < 2.0
Form Liquid
Fragrance Pleasant
Color Blue
Packaged 12/1 qt Case, 4/1 gl Case

DIRECTIONS FOR USE:

FOR USING URINAL AND TOILET BOWL CLEANER: Thoroughly saturate bowl mop with cleanser. Rub bowl until discolorations and lime deposits disappear. If badly discolored, repeat above, and allow to stand for 5 minutes before flushing. This cleaner contains a chemical inhibitor to minimize corrosive action on metals commonly used in plumbing fixtures.

FOR CLEANING THE INVISIBLE TRAP OR OUTLET IN BOWLS: Pour fluid into the bowl, leave it there for several hours or overnight. The insoluble incrustation that has accumulated in the trap will be removed. To assure clean traps and bowls, this should be done at least once a week. Meets USDA for use in federally inspected meat and poultry plants.

Keep only in original container. Absorb spillage to prevent material damage. Store in corrosive resistant container with a resistant inner liner.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes severe skin burns and eye damage.

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN: Rinse with running water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
