

DISINFECTANT 100929

BOWL-SAN

9% HYDROCHLORIC ACID

Disinfects - Cleans - Deodorizes - *Virucidal

This product is an acid disinfectant bathroom toilet bowl cleaner, especially formulated to kill many germs* commonly found in hospital and industrial environments. This product contains a high level of acid, together with an acid compatible detergent system, which facilitates the easy removal of resistant stains and permits disinfectant action.

Quickly eliminates rust, lime and uric acid deposits. This product has been specially formulated for use in the toilet bowl. Do not use or place on wood toilet seats. Clean spills immediately.

PRODUCT INFORMATION:

- Acid Disinfectant Toilet Bowl Cleaner with Organic Soil Tolerance.
- For Hospital, Institutional, Industrial, Commercial and Home Use.
- Removes Stains and Hard Water Deposits. Ready to Use.

pH.....< 2.0
