

# FLOOR CARE

## STRIPPER

## ULTRA CONCENTRATED LOW ODOR STRIPPER

### Ultra-Speed Floor Stripper

- Lowest odor, fast-performing, rinse-free floor stripper
- Low VOCs for odor sensitive environments
- Fast removal of polyurethane and water-based finishes and sealers including metal interlocks

This new formula is fiercely aggressive and fast-working. It is rinses-free and is designed specifically for environments sensitive to odors. Low odor formula allows this product to be used in retail or other 24 hour operations, nursing homes, schools, hospitals, or health care applications where strong odors are prohibited. Non-ammoniated. Phosphate-free. Biodegradable.

#### DIRECTIONS FOR USE:

Mix product thoroughly before use. Always test in an inconspicuous area prior to full application. Restrict pedestrian traffic when this product is in use. This product must be mixed with cool to warm water.

Spread stripping solution liberally over floor and let stand for 10-20 minutes. Do not allow solution to dry on floor. Scrub thoroughly with a floor machine to break up the softened film. Pick up the dirty solution with a wet vac or auto-scrubber. No need for rinsing. Detail mop the floor to remove all residues and let clean floor dry completely before refinishing with a floor finish.

#### RECOMMENDED DILUTIONS:

Remove 1-2 coats:	Dilute 1:12	11 oz. per gallon of water
Remove 2-4 coats:	Dilute 1:8	16 oz. per gallon of water
Remove Multiple Coats:	Dilute 1:4	32 oz. per gallon of water

#### IMPORTANT SAFETY INFORMATION:

**DANGER:** Causes serious eye damage.  
Causes skin irritation. May cause respiratory irritation.

#### PRECAUTIONS:

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling. Avoid breathing vapors. Do not eat, drink or smoke when using this product. Store locked up. Dispose of contents and container in accordance with local, regional, national and international regulations.

#### FIRST AID:

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

**IF ON SKIN:** Wash with plenty of water. If exposed or concerned: Get medical attention. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing. If exposed or concerned, get medical attention.

#### CONTAINS:
