Packaged.....4/1 gal Case, 5 gal Pail & 15 gal Drum

DIRECTIONS FOR USE:

DIRECTIONS FOR USE:

DO NOT MIX WITH OTHER CHEMICALS.

Some people may be sensitive to ingredients in this product. Read label before use. If questions remain, consult your employer or a physician.

- Sort laundry by color and fabric type.
- Always read and follow garment care directions.
- From care directions, choose appropriate wash cycle and water temperature.
- Do not overload washer with laundry.
- Add fabric softener during the final rinse cycle.
- Add 1 – 2 oz. per 50 lbs. of dry, soiled laundry.
- Adjust amount of fabric softener depending on desired fabric softness.

NOTE: Do not use more than 5 oz. per 50 lbs. to guard against anti-rewetting of fabric. Anti-rewet is the point at which too much fabric softener is applied to the fabric preventing the fabric from absorbing water.

- Do not over dry fabric.
- Not for use on garments labeled as flame resistant, as it may reduce flame resistance.
- Not recommended for use on towels, rags or mops used in certain cleaning applications such as, window washing or floor mopping.

FOR INDUSTRIAL & INSTITUTIONAL USE
