

# DRAIN CARE

*Theochem Laboratories, Inc. has the solution to keeping your drains flowing freely. Whether the problem is in the restroom, the kitchen or in municipal sewer lines, we offer a drain treatment option to unclog your drain blockage and maintain free flowing lines.*

**CAUTION:** Never mix drain chemicals. Do not use a plunger after using drain chemicals in the drain to avoid splash back. Always follow the Directions for Use on the product label of any drain chemical. Be sure to have the appropriate personal protective equipment on hand prior to using drain chemicals. Always read product label in its entirety prior to use and consult the Safety Data Sheet for any chemical.
