## Automatic Dishwasher Detergent

- Chlorinated dishwashing compound
- Controls foam, releases heavy food soil and prevents water spots
- Cleans Dishes... to a Shine!

### PRODUCT INFORMATION:

Powdered chlorinated, dishwashing compound for use in mechanical spray washing machines. Contains unique defoamers to improve drainage and prevent pump surging. Contains sequestering agents to prevent scale build-up in dishwashing machines. Prevents spots caused by hard water. Completely free rinsing. Control dispensing through electronic proportioners. Formulated for control of heavy food soil and hard water conditions.

### USE IN/ON:

Household sized dishwashing machines.

### DILUTIONS:

Ready to use.

### DIRECTIONS FOR USE:

Consult your local specialist for specific use directions. For single use in household size machines. Empty packet into detergent dispenser compartment and operate machine as normal. Do not over fill dispenser.

**IMPORTANT:** This product is not recommended for use on aluminum, pewter or other soft metals. c

### IMPORTANT SAFETY INFORMATION:

Wear protective gloves, protective clothing, eye protection and face protection. Dispose of contents and container in accordance with local, regional, national and international regulations.

**FIRST AID: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical attention.
