GRILL CLEANER

Grill, Oven and Fryer Cleaner

A blend of alkaline detergent builders with wetting agents and degreasers to form a product that will dissolve carbon, encrusted grease, and baked-on deposits like magic. Thin enough for spray cleaning. Allow to dwell 10 to 15 minutes, then wipe clean with a damp sponge or cloth towel. It is recommended that rubber gloves and eyeshields be used when handling this product.

PRODUCT INFORMATION:

pH.....> 12.5
FormLiquid
FragranceOdourless
Color.....Light Orange
Packaged4/1 Gallon

DIRECTIONS FOR USE:

Recommended for use on porcelain, iron, and stainless steel. DO NOT use on aluminum or on painted surfaces. For quick removal of grease and baked on deposits; from ovens, grills, stove hoods, greasy vents, broilers, deep fat fryers, and rotisseries. Spray on surfaces to be cleaned. Allow 10 to 15 minutes to penetrate. Wipe off with damp sponge or damp cloth towel. For heavily encrusted areas, repeat using mild abrasive pad. Can be used on warm or cool surfaces. In federally inspected meat and poultry plants, a potable water rinse is required after use of this product.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes severe skin burns and eye damage

Do not breathe vapors. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID: IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Dispose of contents and container in accordance with local, regional, national and international regulations.
